L The last time this unit will be offered.

OL Online

OC On-Campus

\*These units require mandatory attendance to all sessions.

\*\* These units are offered only on campus. From term3 2016 It may be offered as a weekend workshop provided enough students are available to take the unit.

All workbooks for the clinic units must be completed and competency must be attained by Dec 2018 in order to graduate with the Advanced Diploma.

Depending on student enrolments to a particular unit. It will be either offered as live online lectures or recorded lectures with four one hour online tutorial sessions or recorded lectures with lecturer support via email.

Students wanting to enrol in all three Advanced Diplomas (Naturopathy, WHM and Nutritional Medicine) should complete the initial application form for each course and submit to Admin on different dates prior to December 2015. Students will not be able to enrol in additional Advanced Diplomas after the December 2015 deadline.
